When you arrange your plan, you can choose one of the following. We also offer a choice of deferred periods* too:

- ✓ Increasing income protection - Our increasing plans are designed to protect your monthly benefit against inflation.
- ✓ Low-Cost option - Provides a way of keeping your premiums down by limiting the length of time your monthly benefit can be paid for each valid claim.
- ✓ Stepped Benefit option - Allows you to choose two deferred periods, and two different monthly benefits, all within one plan. Not available with Low-Cost plan.
