

POLICY BOOKLET

INTRODUCTION

Words that appear in **bold** are explained in the section headed 'List of definitions used in this document' on page 17.

This Policy Booklet shows **you** the features, benefits and exclusions (things that are not covered) that apply to this product.

WHO IS COVERED?

The **life insured** is covered.

PREMIUMS

Guaranteed premiums

Your premiums are guaranteed and will not change unless **you** make changes to the policy using the options available in section headed 'Changing your policy'.

Increasing cover

You may have the option to choose an increasing policy, the premiums will increase in line with the changes in the Retail Prices Index (RPI) multiplied by 1.5 subject to a maximum increase of 15% per annum.

The RPI provides an indication of inflation on a monthly basis. The RPI measures and tracks the average change in the purchase price of goods and services such as housing expenses and mortgage interest payments.

If **you** choose Fracture Cover it will not be included as part of the annual review of **your** policy.

WHAT HAPPENS IF THE PREMIUMS ARE NOT PAID?

We are entitled to cancel the policy if any premiums are not paid within 60 days of their due date. If **we** cancel the policy, **your** cover will end and no further premiums will be payable. **We** will not refund any premiums already paid.

AMOUNT OF COVER

Level cover

If **you** choose level cover the amount of cover will stay the same unless **you** change it using the options available in the section headed 'Changing your policy' during the period of cover.

Decreasing cover

If **you** choose decreasing cover the amount of cover will reduce during the period of cover. Decreasing cover is often used to help protect a repayment mortgage. **We** apply an interest rate to the original amount of cover to estimate the amount that **you** repay each month on **your** repayment mortgage and the amount **you** are covered for will decrease accordingly.

If the interest rate **we** apply is less than the interest rate that is actually applied to **your** mortgage, or **your** mortgage changes, the amount **we** pay out may not be enough to repay **your** mortgage in full.

The interest rate applied will be shown in **your** Policy Booklet.

To ensure that the amount paid out will cover the amount of **your** outstanding mortgage **you** should check regularly that the interest rate applied to the policy is equal to or higher than the interest rate applied to **your** mortgage by **your** lender.

Increasing cover

You may have the option to choose increasing cover, the amount of cover will increase in line with changes in inflation on each policy anniversary with no need to answer further questions about **your** health.

The amount of cover, including any increases **you** have already accepted, will increase in line with the changes in the Retail Prices Index (RPI) over a 12 month period. If **we** cannot use the RPI, **we** will use an index comparable to the RPI instead.

We will contact **you** at least three months before the policy anniversary to tell **you** what the increase in the amount of cover and premium will be.

If the change in the RPI is less than 1% **we** will not increase the amount of cover.

If the change in the RPI is more than 10% **we** will only increase the amount of cover by 10% per annum.

Your options

Accept the increase:

If **you** choose to accept the increase **you** do not need to take any action. **We** will increase the amount of cover and the premium and update **your** direct debit.

Decline the increase:

When **we** notify **you** of an increase, **we** will also give **you** the option to decline the increase. To decline an increase, **you** must complete and return the form in the letter **we** send to **you** by the date shown.

If **you** choose to decline the increase to the amount of cover and premium, then **we** will withdraw the option and **you** will not be given the option to increase the amount of cover in the future.

If **you** choose Fracture Cover it will not be included as part of the annual review of **your** policy.

HOW LONG IS COVER FOR?

You are covered from the **policy start date** until the **policy expiry date** unless one of the following occurs first:

- the amount of cover is paid out, or
- if the policy is cancelled by **you** or **us**.

Cover will stop when the policy ends and no further premiums will be payable.

WHAT IS COVERED?

The amount of cover, subject to the exclusions defined in the section headed 'What you are not covered for' is paid if, before the **policy expiry date**, the **life insured**:

- dies
- is diagnosed with a terminal illness whichever occurs first.

If **you** choose a joint life policy, the amount of cover is paid when either **life insured** dies or is diagnosed with a terminal illness.

Terminal Illness Cover

This is an advance payment of the amount of cover where the **life insured** has a terminal illness.

Terminal illness is defined as a definite diagnosis by **your** hospital consultant of an illness that satisfies both of the following:

- the illness either has no known cure or has progressed to the point where it cannot be cured; and
- in the opinion of **your** hospital consultant and **our** Medical Officer (a qualified doctor employed by Legal & General), the illness is expected to lead to death within 12 months.

No terminal illness claim can be made after the death of the **life insured**.

If decreasing cover is chosen the amount payable will be the amount of cover **we** calculate on the date that it is established that the **life insured** has met **our** definition of terminal illness.

WHAT YOU ARE NOT COVERED FOR

- **Death in the first year**

The policy will be cancelled if within the first year of the policy, the **life insured** dies as a result of:

- suicide, or
- intentional and serious self-injury, or
- an event where, in **our** reasonable opinion, the **life insured** took their own life.

Assessing a claim for death in the first year

If a suicide verdict is not given **we** may decide in **our** reasonable opinion that the **life insured** has taken their own life. **We** will take into account:

- the method and timing of death
 - the evidence available from the time and place of death
 - any documentation left by the deceased or available from others
 - previous medical history that **we** are reasonably entitled to obtain.
- **You** will not be eligible to make a claim under the policy chosen if:
 - the **life insured** doesn't meet the definitions for cover as described in the section(s) headed:
 - 'What is Covered'
 - Waiver of Premium
 - the premiums under the policy are not up to date.
 - The policy is offered or issued subject to the cancellation of a specified policy(ies), and **you** did not cancel it (them).
 - During the application process **we** will ask **you** questions about **your** personal circumstances and **we** may request additional information from **you** in order to make an assessment and offer **you** a policy. The **life insured** is required to answer all of **our** questions honestly and accurately.
 - a) If **you** (or an agent acting on **your** behalf) deliberately or recklessly provide inaccurate information **we** are entitled to cancel the policy and refuse to pay the amount of cover. In these circumstances **we** may not refund any premiums **you** have already paid.
 - b) If **you** (or an agent acting on **your** behalf) provide inaccurate information through carelessness, **we** are entitled to amend the policy to reflect the terms that would have been offered had the accurate information been known. In these circumstances:
 - i. if **we** would not have issued the policy had the accurate information been provided, **we** are entitled to cancel the policy, however **we** will refund any premiums **you** have already paid;
 - ii. if **we** would have issued the policy on different terms and conditions (other than those relating to premiums) had the accurate information been provided, **we** may make changes to the policy terms and conditions and treat the policy as if it had been issued on the different terms and conditions;
 - iii. in addition, if **we** would have issued the policy with higher premiums had the accurate information been provided, **we** may reduce the amount of cover to reflect the higher premiums that would have applied had the accurate information been provided. The following formula will be used in these circumstances:

$$\text{New amount of cover} = \frac{\text{Premium actually charged} \times \text{original amount of cover}}{\text{Higher Premium}}$$

FRACTURE COVER

You can choose to add Fracture Cover for an additional cost at the start of the policy as long as this is before the **life insured's** 64th birthday. If **you** choose a joint life policy **you** can add Fracture Cover for one or both lives insured.

Fracture Cover is insured by **AXIS Specialty London (the insurer)** with all claims processed by **Trustedoctor**. Fracture Cover is arranged through Legal & General Partnership Services Limited as agent of **the insurer**.

When does cover apply?

Fracture Cover is an annually renewable benefit. It begins at the inception date of your policy but will not be renewed if:

- the policy ends, in which case it will end on the **policy end date**; or
- the **life insured** is turning 70 year old, or
- **you** can't renew the benefit because:
 - the **life insured** is resident outside of the **UK**; or
 - our relationship with **Trustedoctor** or **AXIS Specialty London** comes to an end; or
 - there has been any change of law, regulatory requirement or taxation which means **we** can no longer offer Fracture Cover.

There may be circumstances where **we** are no longer able to offer this benefit. If this applies, then **we** will contact **you** with reasonable notice, remove the benefit from **your** policy and recalculate **your** premiums accordingly.

We will contact **you** 30 days before the **renewal date** to let **you** know if **your** premium or the terms and conditions of the benefit have changed. **We** will let you know what you need to do and if:

- **you** chose to opt out from automatically renewing. If so, **your** cover will stop the day before the **renewal date**. **You** can still renew **your** cover by contacting us at least five days before the **renewal date** using one of the methods shown in the section headed 'Useful Contacts'
- **you** chose to automatically renew. If so, **your** cover will automatically continue on the **renewal date**, even if the premiums have changed. **You** must tell **us** at least five days before the **renewal date** if you don't want to renew. **You** can cancel the automatic renewal feature at any time, using one of the methods shown in the section headed "Useful Contacts"
- **we** won't renew the option. If this happens, the policy will continue without Fracture Cover and **we** will recalculate **your** premium
- the scenario arises where **your** policy is due to end in less than 12 months at the **renewal date**. If this happens the benefit will end at the same time as **your** policy.

You can cancel the benefit at any time. If **you** do the premium for **your** policy will be recalculated. The benefit cannot be reinstated later.

What is covered?

The insurer will cover the **life insured** if they fracture a bone, dislocate a joint, rupture a tendon or tear a ligament as listed in the table below. A payment will only be made to the life insured if the injury happens more than seven days after the policy start date.

Where **you** make a claim for multiple injuries as a result of the same event the policy will pay only the injury with the highest payment amount. There is no limit to the number of claims for separate events you can make during the term of the policy however the maximum amount **the insurer** will pay out for each person that is covered in any policy year is £4,000. A policy year runs from the start date of the policy to the day before the policy anniversary date, and each subsequent anniversary date.

You will need to make sure the premiums for your policy continue to be paid until the insurer agrees to pay the claim. As this type of claim doesn't end the policy, your cover will continue with no change to your amount of cover. **You** will need to ensure your premiums are paid after the insurer has paid the claim if you want to continue with Fracture Cover as an additional benefit.

The insurer will pay the amount specified for each **fracture, dislocation, tendon rupture or ligament tear** shown in the table below, or in the event of multiple injuries the highest of the amounts shown, subject to the annual limit of £4,000 per policy year.

- Fracture Cover can only be added if the **life insured** does not already have it on another Legal & General policy.

- Fracture Cover cannot be transferred to another product.
- Making a claim under Fracture Cover will not affect the core product or any other benefits.
- This benefit will end on the earlier of:
 - the day before the policy anniversary date unless renewed, or

 - if the **life insured** is turning 70 years old during the next **renewal period**.

WAIVER OF PREMIUM

You may have the option to choose Waiver of Premium at the start of the policy, it will be an additional cost.

If the **life insured** meets **our** definition of incapacity for 26 consecutive weeks, **you** won't have to pay premiums. This benefit will start after the 26th consecutive week of incapacity and continue until the earlier of:

- the end of the period of incapacity, or
- payment of the amount of cover, or
- on the **policy expiry date**.

Incapacity

Depending on the **life insured's** employment status when a claim is made, incapacity is defined as:

The **life insured** is totally incapable of carrying out their normal occupation by reason of an **illness** or injury which occurred after the **policy start date**, necessitating medical or surgical treatment and is not carrying out any other occupation or paid employment.

Or

Countries where this benefit is provided

The **life insured** is covered for Waiver of Premium if they:

- reside or travel within the UK,
- reside or travel within the European Union, or
- travel outside of the UK or European Union for no more than three consecutive months in any 12 months.

If the **life insured** travels outside of the UK or the European Union for more than three consecutive months in any 12 months **we** will act reasonably when assessing whether the **life insured** meets the definition of incapacity.

For details about how to make a Waiver of Premium claim, please see the section headed 'Making a claim'.

CHANGING YOUR POLICY

On the occurrence of specified events **you** have the option to increase the amount of cover without the need for further medical information. To do this the policy must be taken out before the **life insured's** 55th birthday. This option may not be available if **we** apply a premium increase to **your** cover as a result of the information **you** give **us** in **your** application. **Your** policy documents will explain if this option is available to **you**.

If the following do not apply when **you** want to change **your** cover then there are alternative ways outlined in the section headed 'Other Changes'.

You can increase the amount of cover in the event of:

- a) the **life insured** entering into marriage or a registered civil partnership, or
- b) the **life insured** gets divorced or dissolves a registered civil partnership, or
- c) the birth of the **life insured's** child, or

- e) an increase in the **life insured's** earnings due to a change of employment or promotion, or
- f) an increase to the **life insured's** mortgage by reason of a house move or undertaking major home improvements.

This option must be used within six months of the event and if **we** request relevant documents in relation to the events, **you** must provide them to **us**.

The amount of cover can increase by

For all increases, the amount of cover may only be increased on each occasion by the lower of:

- 100% of the original amount of cover, or
- £200,000, or
- if e) above applies, the amount equal to the original amount of cover multiplied by the percentage increase in earnings
- if f) above applies, the amount of the increase in the mortgage.

This option can be used multiple times, but the total of all increases must not exceed the maximum total permitted of £200,000.

How we provide cover for an increase

If **you** use this option an additional policy will be issued in respect of the increase, which will:

- not allow **you** to increase **your** cover without additional medical evidence,
- not extend beyond the **life insured's** 65th birthday or one year after the **policy expiry date** of this original policy, whichever is earlier,
- only have increasing cover if this was selected when the policy was taken out and the option to increase has been accepted by **you** at all policy anniversary dates, and
- be subject to the premiums, terms and conditions for such policies at the time the additional policy is issued.

In circumstances where **we** no longer offer the chosen policy at the time **you** wish to use this option, **we** will offer **you** a reasonable available alternative.

When this option is not available

This option will not be available to **you**:

- after the **life insured's** 55th birthday. If two people are covered this applies to the older **life insured**
- if a claim under Waiver of Premium has been made, until the end of the period of incapacity,

- c) Any documents reasonably required by **us** to support **your** request.

How we will provide cover

We will confirm if the change **you** have requested means the original policy has to be cancelled and a new policy issued, which may have different terms and conditions.

We will confirm the change **you** have made.

THE FINANCIAL SERVICES COMPENSATION SCHEME (FSCS)

The FSCS is designed to pay compensation if a firm is unable to pay claims, because it has stopped trading or been declared in default.

So, if **we** run into financial difficulties, **you** may be able to claim via the FSCS, for any money you've lost. However, before looking to pay compensation, the FSCS will first see if they can arrange for the continuity of **your** current policy. The FSCS may arrange for the policy to be transferred to another insurer or arrange for a new policy to be provided.

Most of **our** customers, including most individuals and small businesses, are covered by the FSCS. Whether or not **you** can claim, and the amount **you** could claim, will depend on the specific circumstances of **your** claim. The FSCS will pay 100% of the value of the claim.

You can find out more about the FSCS, including eligibility to claim, by visiting its website

www.fscs.org.uk

or calling

0800 678 1100.

The rules of the FSCS might change in the future and the FSCS may take a different approach on their application of the above, depending on what led to the failure.
