

# Welcome to Legal & General

Our partnership with MMB Elect means that your clients instantly benefit from exclusive access to our most comprehensive range of workplace protection benefits yet.

Only for MMB Elect clients we've extend our full range of value-added services right across all three of our core products – Group Life Assurance, Group Income Protection and Group Critical Illness Cover. Meaning that your client will now be able to benefit from additional support across all three of our health and wellbeing pillars for:

- Be well
- Get better
- Be supported

Our added-value services, support, and solutions are available for insured and uninsured employees and their immediate family – only with MMB Elect

And with over 90 years of experience and knowledge supporting UK SME's, we're perfectly placed to deliver extraordinary workplace benefits matched to their business ambitions.

## Key Legal & General differentiators

Access to our best rate, first time, which are only available as part of our enhanced arrangement

3

3 year rate guarantee at no extra cost

Our full range of value-added services exclusively extended right across all three of our products

Both insured and uninsured employees and their immediate family can benefit from all of our extended value added services – only with MMB Elect

## On-going support for you and your clients

### Support

In order to drive awareness, engagement and efficiencies with our offering, we will continue to enhance our existing MMB Hub, create a bespoke Employer Hub, provide educational content through our Umbrella Academy and key insight through our Wellbeing Lab.

In partnership with MMB Elect

### Educate

In partnership with MMB Elect

### Insight

## Simple and straightforward

All operational requirements relating to quotations, accounts and enquiries must be emailed to [Elect@landg.com](mailto:Elect@landg.com) in order to trigger MMB Elect SLA's and processes.

Your day to day account management contacts are Victoria and Angela.

Any claims related queries can be directed towards Sean Eccott and Cassie Roylance.
